

Spare Parts Finger Module Inserts FING-MOUNT

Spare Parts for Finger Modules of the Grippers mGrip

Spare Parts Finger Module Inserts FING-MOUNT

System design Spare Parts Finger Module Inserts FING-MOUNT

Finger gripper mGrip for handling food products

Suitability for industry specific applications

Application

- Finger module insert as spare parts for the finger modules of the finger grippers mGrip
- Maximum gripping efficiency during operation
- Adaptation of the gripper to new workpieces by changing the finger module inserts to a different size

Design

- Guide insert made of POM for safe and correct mounting (1)
- Flexible actuator made of silicone (2)

Product highlights

- Two to six folds for optimum adaptation to the workpiece
- Different, mutually compatible finger variants for maximum flexibility and interchangeability on one gripper
- FDA-compliant materials for direct food contact
